This is a favorable day for the significant of the control of the

UESTIONS ANDANSWERS

Q. chased for the Willard-Dempsey fight at Toledo, July 41 What is the price?-G. C. M.

A. The tickets vary in price from 15 to 150. They may be procured by writing to Mr. T. Rickard, 221-225 Superior street, Toledo, Ohio, Q. Where is the "Island of Dead Shipst"—F. G. H.

Ships?—F. G. H.

A. The Surgenza sea in the North
Atlantic is an area through which no
ocean currents pass. It is comparatively still water, forming a sort of
edgy into which seawed tends to
drift. Writers of fiction have bette
found resche places in this eddy and
have peopled them, with the spirits
of lost mathers. The idea is nore
fection. The Sarzona sea may be
mavigated without experiencing any
difficulty with seawed and without
seeing a decellet.

Q. How can I secure copyright pro-

difficulty with seawed and without seeing a decilic.

Q. How can I secure copyright protection on a book, and has long does it last?—H. P. G.

A. Print and publish the book with the copyright notice, and following publication deposit two complete coppulations deposit two complete coppulations deposit two complete republishes Register of Copyrights in the Library of Congress, Washington, P. C. You are protected from the time you attack your copyright line even though your have not yet paid there. Copyright lasts for 25 years and is renewable for a further period at 25 years.

August 1736, and reinted solely to secondation.

Q. What is the weight of a million one dollar nodes?—H. W. H.

A. The United States treasury decartment, Washington, D. C. says that one million dollar notes weigh about 1395 nounds.

(Any reader of The Heraid who wants the facts on any subject can lecture prompt service by writing The lecald Information Bureau. Frederic Heald Information Bureau. Frederic Haskin, director, Washington, D. C. that is your question briefly had endiance a live exact stamp for return comings. All inquiries are could denial, the ropiles being sent direct to such individual.)
